All,

As we discussed yesterday, State Board staff has started coordinating with BDCP staff to get modeling and other analysis we'll need for development of new outflow objectives. Attached is our initial request, and some further correspondence clarifying our intent to two groups of concerned stakeholders.

It was an interesting and informative meeting yesterday. Let me know if you have any questions on the attached.

- Mark

Hello All-

Thank you all for attending yesterday's meeting on the Bay Delta Conservation Plan (BDCP) and the associated Delta Conveyance Project. Attached is a sign-in sheet from yesterday's meeting. Hopefully, Erin F. can use this to send the followup information we discussed yesterday (i.e., DWR contacts, draft MOU, etc.).

Erin R.
